Revised 07/2016

SIB07

UIW offers a discount to families with multiple dependent siblings from the same household attending UIW. Siblings who are simultaneously enrolled as full-time undergraduate students on the Main Campus may apply.

- All siblings must be enrolled as full-time, undergraduate, Main Campus students. Discounts will not be applied until after census of each semester, when enrollment is verified.
- Discount amounts are \$0 for the first enrolled sibling, \$5,000 for a second enrolled sibling, and \$10,000 for third or more siblings. In cases of twins or triplets, eligible amounts will be divided evenly.
- Funds can only be applied towards tuition. Students who have other UIW scholarships, UIW discounts and UIW grants may combine the awards as long as the total does not exceed full-time tuition. Students with UIW athletic scholarship or UIW dependent waivers do not qualify.
- Siblings must reside in the same household and be verified as dependents on the FAFSA application each year to qualify, since funds are meant to support families who have multiple children at UIW.
- Although not based on need, students must complete the FAFSA application and be classified as dependents to apply. Funds from the Sibling Discount may impact other funds that are need based.
- Siblings must apply for the discount and the FAFSA every academic year. The discount may only be used during Fall and Spring semesters.
- All siblings will be notified of the award and amount through Cardinal Mail once this form is processed.

Please list all siblings who are Main Campus undergraduates enrolled full-time for Fall 2016 and/or Spring 2017:
